

12th International Conference on Mechanical and Aerospace Engineering

16-19 July, 2021 | Athens, Greece

CALL FOR PAPERS AND PROPOSALS

The 12th International Conference on Mechanical and Aerospace Engineering will be held at Athens, Greece, during July 16-19, 2021, sponsored by IEEE, technically supported by Washington University in St. Louis, US, Orleans University, France, Capitol Technology University, US, Huazhong University of Science and Technology, China, University of Huddersfield, UK, Istanbul Technical University, Turkey, etc.

ICMAE 2021 accepted papers will get published on ICMAE 2021 conference proceedings, to be indexed by EI compendex and Scopus.

TOPICS

*Navigation and Precise Positioning
*Aircraft navigation and positioning technology
*Radar detection and imaging technology
*Aviation navigation systems and new technologies
*Synthetic aperture radar technology
*Navigation guidance and control
*Microelectronics manufacturing engineering

*Circuits and Systems
*Vacuum electronic technology
*Automatic Control Systems
*Sensors and Sensor Systems
*Aerospace Science and Technology
*Mechatronics Systems
*Motor and electrical equipment
*Electromechanical control technology
*Electrical and electronic technology
*Microelectronic Technology
*Circuit analysis

INCLUDED BUT NOT LIMITED

PUBLICATION HISTORY

IEEE-ICMAE2020 Virtual
Proceedings indexed by
EI Compendex & Scopus
ISBN: 978-1-7281-8321-3

IEEE-ICMAE2019 Belgium
Proceedings indexed by
EI Compendex & Scopus
ISBN: 978-1-7281-5534-0

IEEE-ICMAE2018-Budapest
Proceedings indexed by
EI Compendex & Scopus
ISBN: 978-1-5386-7228-0

IEEE-ICMAE2017-Praha
Proceedings indexed by

IMPORTANT DATES

Paper Submission

15 April 2021 (23:59)

Acceptance Notification

10 May 2021

Registration

25 May 2021

Full details of submission procedures are available at icmae.org

Special Session Proposals

10 April 2021

Tutorial Proposals

20 April 2021

ORGANIZING COMMITTEE

Advisory Chair

Borges De Carvalho, Nuno, University of Aveiro, Portugal (IEEE Fellow)
Ruggero Maria Santilli, Institute for Basic Research, USA (Director)

Conference Chair

Pasquale Daponte, University of Sannio, Italy (IEEE Fellow)

Conference Co-chairs

Ian McAndrew, Capitol Technology University, USA
Renfu Li, Huazhong University of Science and Technology, China
Yao Lu, Northwestern Polytechnical University, China

Program Chairs

Ramesh K. Agarwal, Washington University in St. Louis, USA (IEEE Fellow)
Yoshifumi Yokoi, National Defense Academy of Japan, Japan
Anh Dung Ngo, Ecole De Technologie Superieur (U. of Quebec), Canada

Poster Section Chair

Katarina MONKOVA, Faculty of Manufacturing Technologies with the seat in Presov, Slovakia

Special Session Chair

Simon Barrans, University of Huddersfield, United Kingdom

Steering Co-chairs

Ibrahim Ozkol, Istanbul Technical University, Turkey
Eldad Avital, Queen Mary University of London, United Kingdom
Hamid Bahai, Brunel University, United Kingdom
Zhenghong Zhu, York University, Canada

Treasure Chair

Qingquan Wang, Beihang University, China

Publication Chair

Yulong Zhang, Tongji University, China

International Publicity Co-chairs

Kamel Mehdi, University of Tunis EL Manar, Tunisia
Peter Monka, TU Kosice, Slovakia
